# Meet Our President

**Our President, Scottie Wyatt has local roots and is proud to call the New River Valley home.**

Scottie grew up in Draper, Virginia with three siblings and parents who owned their own business. Working in the family business instilled a strong work ethic in Scottie. He had a passion to one day follow in their footsteps and become a business owner himself. Scottie graduated from Virginia Tech in 1998 (Go Hokies) with a Bachelor's degree in Electrical and Computer Engineering.

After graduation, Scottie held various sales and management roles along the East Coast, however, Blacksburg has a way of calling people home and that's exactly what happened to Scottie and his family. In March 2017, Dan Carper, the original founder of Carper Insurance, selected Scottie to take over the business.

Scottie is continuing the business traditions established by Dan, while also contributing new insight, energy and a fresh perspective amassed from decades of business leadership experience. The parent company Northpoint LLC now has two locations operating as Carper Insurance in Blacksburg and Northpoint Insurance in Salem. He considers it a privilege to have the opportunity to serve customers in Salem and the Roanoke Valley with Northpoint Insurance.
