- Carole Nickerson, Preston Forest Dr., Blacksburg VA

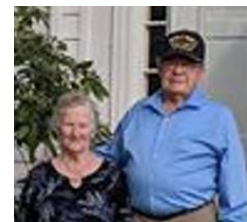

"Completely happy with everything. We can't think of anything they need to improve. I was quite pleased to see them go double check the whole job and touch up any little areas that needed it. Very Pleased with the whole project."

- Fred Umberger, College St. Christiansburg VA

"Parmer and Sons was wonderful. The boys would show up every day ready to work. They didn't sluff off and had a 'just get it done' work ethic. I was very satisfied with everything they did. Workmanship and responsiveness were fantastic."

- Mike Dye, Country Club Rd, Blacksburg VA

"I can't say enough amazing things. Great painters; but first and foremost great people. They do amazing work. They are extremely detailed. They did not rush anything and took every step needed to ensure that the work was perfect. We went to them based on the reputation that their father had established and they did not let us down. They explained everything to me and were very flexible as far as me wanting to change things or take my time with certain decisions" - L. Semones. Christiansburg VA

"I would like to thank you for the outstanding painting job that you and your magical crew did for me, transforming my house into a beautiful Jewel. Thank you for being so professional and pleasant to work with. I highly recommend you and your services."

- Merle Vorster, Blacksburg VA

"They are a very nice trustworthy crew, they were available within weeks not months, they communicated well, and we are very pleased with the work."

- Glenn Reynolds, Mateer Circle, Blacksburg VA
