Building the
Future

**FLOYD COUNTY
HUMANE SOCIETY**

Serving Pets & Their People

Floyd County Humane Society has improved the lives of more than 980 dogs and cats over the past five years, averaging one animal every two days. Help us continue this work by donating to construction of a permanent kennel facility on property we have purchased. The shelter will provide resources for volunteers and the community as we continue to fulfill our mission.

Our needs

Based on estimated construction costs
